## Korg PA500

Rp. 10.300.000

For the musician, composer, performer and entertainer, the interactive Pa500 is the perfect musical partner. Like its big brothers â€” the Pa800 and the Pa2XPro â€” the Pa500 uses our RX (Real eXperience) technology to deliver a sound unprecedented in an arranger keyboard. With exclusive Korg features such as the XDS Dual Sequencer, intuitive TouchView interface, quarter-tone on-the-fly and a four way joystick for realistic articulation, the only thing really missing is a big price tag.

### **Keyboard:**

61 keys with Velocity
